The CRISP RET program provides teachers with the opportunity to conduct team-based interdisciplinary research. During the course of this four-week research program, fellows will be conducting research under the advisement of university faculty and researchers.

RET Program: July 2—July 27, 2018

Applications due by April 1, 2018

http://crisp.southernct.edu/?page_id=467

STIPEND:
Each RET participant will receive a stipend of $2000. Additional funds may be awarded upon the development of curricular materials.

ELIGIBILITY:
This program is open to middle school, high school and community college teachers who teach science, technology, engineering and/or mathematics (STEM). Minorities, women and persons with disabilities are strongly encouraged to apply.

APPLICATION PROCESS:
The selection of RET participants is based on a personal statement, resume/CV and one letter of recommendation. The online portion of the application is available at http://crisp.southernct.edu/?page_id=467

Please send materials to CRISP RET Fellowship 2018 • c/o Carol Jenkins • SCSU Physics, SCI 043 • 501 Crescent Street • New Haven, CT 06515
